On December 31st we will balance and close our books.

We know now, from comparison, that our business for 1911 has exceeded that of any previous year.

That is healthy, and we are progressing with the new Honolulu that is rapidly developing.

Early in January, 1912, we will be opening the new styles and shoe designs recently selected by Mr. W. H. McInerny while in the Eastern shoe centers.

We promise the greatest display of new styles ever shown in the Territory.
